

CE in Fort Worth

TQ/CEE Exam Instruction Form

Six hours of Continuing Education with Examination are available. Participation in examination is optional, and exam credit applies only to certain state boards that require TQ/CEE credit – check with your licensing state board for details. Participants must have attended the corresponding live course in order to receive credit for completion of the quiz. Use the instructions below to access exams.

Exams will be available online beginning October 10th.
The deadline for exam completion is November 11th.

1

Use the following link to access exam(s):
<https://ce.opt.uh.edu/live-conferences/2022/ce-in-fort-worth/>

2

Select the *Agenda & Exams* tab

3

Click the *Take Quiz* button next to the lecture for which you wish to complete an examination.

4

Enter your information in the fields provided, then click *Continue To The Exam*.

5

Complete the quiz in its entirety, then click *Grade This Quiz*.

6

The next screen will explain how to proceed based on your score:

If you passed, an email will be generated to the CE Office to verify your attendance at the program. Once verified, a certificate of completion will be sent to the email address you provided at the beginning of the quiz.

If you did not pass, the screen will provide an option to retest or return to the exam listing.

OCTOBER CE in Fort Worth

8th - 9th

Credit Hours: 16 Hours

Event Info Speaker Bios Location Registration **2** Agenda & Exams

10:15 AM - 12:00 PM Explaining Unexplained Vision Loss: Interesting Cases Credit Hours: 2.0 / D/T Cope ID: 80399-TD **3** Take Quiz

CEE Available - This course will review a series of interesting cases all referred into an Electrodiagnostic clinic with unexplained vision loss. We will discuss the different options for testing in those patients with reduced visual acuity or field defects and essentially normal optometric exams.

by Wendy Harrison, OD, PhD, FAAO

UNIVERSITY of HOUSTON COLLEGE of OPTOMETRY
